VIZYON 100 ABOUT

Vizyon 100 is a high-level communication and event platform focused on the digital future and inter-company collaborations, consisting of approximately **600** top-level executives, with CEOs/General Managers comprising the majority.

So far, the platform has held more than 25 face-to-face meetings, each with an average of **200** managers. 5 "**Digital CEO and Leader Summits**" were held, attended by an average of **250** senior executives.

The 5th Digital CEO and Leaders Summit took place in Cesme on October 5-6-7, 2023, with participation from around 350 CEOs/General Managers.

Having concluded its 7th operational term, the platform initiated its **8th term** in **January 2024**.

Additionally, as the owner of **Digital CEO** and **Digital CxO** brands, the platform conducted nearly **70** virtual meetings in 2020, 2021, and 2022. During these meetings, over **600** executives, including 10 top-level executives, shared their ideas to shed light on the post-pandemic era. Following these discussions, reports for **Digital CEO 1, 2, and 3 terms**, as well as **Digital CxO 1, 2, and 3 terms**, were published. *(For access to the reports and books, you can visit Dijitalceo.com.tr and Dijitalcxo.com.tr.)*

The platform has released a total of **7** books, each featuring opinion pages from over **50** top-level executives. Additionally, English versions of these books are also available.
